**A Hurry Up Call.**

Quick! Mr. Druggist—Quick!—A box of Chamberlain's Arnica Salve—Here's a quarter—For the love of Moses, hurry! Baby's burned himself, terribly—Johnnie cut his foot with the ax—Mamie's scalded—Papa can't walk from piles—Billie has boils—and my corns ache. She got it and soon cured all the family. It's the greatest healer on earth. Sold by Burnaugh & Mayfield.

Oregon apples, pears, prunes, grapes, cherries, plums, berries and other small fruit have an international reputation for their excellence. Apples and pears bring top-notch prices in the markets of America, Europe and the Orient.

**Best Treatment for a Burn.**

If for no other reason, Chamberlain's Salve should be kept in every household on account of its great value in the treatment of burns. It allays the pain almost instantly, and unless the injury is a severe one, heals the part without leaving a scar. This salve is also unequalled for chapped hands, sore nipples and chafes of the skin. Price, 25 cents. For sale by Burnaugh & Mayfield.

Portland ships more lumber annually than any other port on earth. For the past two years production has averaged 2,000,000 feet for every working day of the year.

**Good for Biliousness.**

"I took two of Chamberlain's Stomach and Liver Tablets last night, and I feel fifty per cent better than I have for weeks," says J. J. Firestone of Allegan, Mich. "They are certainly a fine article for biliousness." For sale by Burnaugh & Mayfield. Samples free.

Oregon poultry has made many a producer independent, and \$5,000,000 were paid for poultry products last year—local markets would have taken three times as much at top prices.

**The Road To Success**

has many obstructions, but none so desperate as poor health. Success today demands health, but Electric Bitters is the greatest health builder the world has ever known. It compels perfect action of stomach, liver, kidneys, bowels, purifies and enriches the blood, and tones and invigorates the whole system. Vigorous body and keen brain follow.

their use. You can't afford to slight Electric Bitters if weak, run-down or sickly. Only 50c. Guaranteed by Burnaugh & Mayfield.

The wool clip of Oregon left \$2,500,000 in the pockets of sheepmen last year, and Oregon mills use about 30 per cent.

**Night On Bald Mountain.**

On a lonely night Alex. Benton of Fort Edward, N. Y., climbed Bald Mountain to the home of a neighbor, tortured with asthma, bent on curing him with Dr. King's New Discovery, that had cured himself of asthma. This wonderful medicine soon relieved and quickly cured his neighbor. Later it cured his son's wife of a severe lung trouble. Millions believe it's the greatest Throat and Lung cure on Earth. Coughs, Colds, Croup, Hemorrhages and Sore Lungs are surely cured by it. Best for Hay Fever, Grip and Whooping Cough! 50c and \$1.00. Trial bottle free. Guaranteed by Burnaugh & Mayfield.

Manufactures are being successfully conducted in all parts of Oregon and no portion of the United States is better supplied with water power.

**HEALTH AND BEAUTY AID**

Cosmetics and lotions will not clear your complexion of pimples and blotches like Foley's Orino Laxative, for indigestion, stomach and liver trouble and habitual constipation. Cleanses the system and is pleasant to take. Burnaugh & Mayfield.

Three hundred billion feet of standing timber, one-sixth of all in the United States, is Oregon's chief asset.

**A Good Position**

can be had by ambitious young men and ladies in the field of "Wireless" or Railway telegraphy. Since the 8-hour law became effective, and since the Wireless companies are establishing stations throughout the country there is a great shortage of telegraphers. Positions pay beginners from \$70 to \$90 per month, with good chance for advancement. The National Telegraph Institute of Portland, Ore., operates six official institutes in America, under supervision of R. R. and Wireless Officials and places all graduates into positions. It will pay you to write them for full details. 36b2

**Why? Druggists Recommend Chamberlain's Colic, Cholera and Diarrhoea Remedy.**

Mr. Frank C. Hanrahan, a prominent druggist of Portsmouth, Va., says, "For the past six years I have sold and recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. It is a great remedy and one of the best patent medicines on the market. I handle some others for the same purposes that pay me a larger profit. This remedy is so sure to effect a cure, and my customer so certain to appreciate my recommending it to him, that I give it the preference." For sale by Burnaugh & Mayfield.

Portland is the second wheat port in the United States and stands fourth among American cities in the distribution of agricultural implements.

**TESTIFIES AFTER FOUR YEARS.**

Carlisle Center, N. Y., G. B. Burhans, writes: "About four years ago I wrote you that I had been entirely cured of kidney trouble by taking two bottles of Foley's Kidney Remedy, and after four years I am again pleased to state that I have never had any of those symptoms, and I am evidently cured to stay cured." Foley's Kidney Remedy will do the same for you. Burnaugh & Mayfield.

The mines in Oregon during 1908 yielded \$2,855,000; hops, \$1,250,000; fisheries, \$900,000; wheat, \$11,000,000

**A NARROW ESCAPE.**

Edgar N. Bayliss, a merchant of Robinsonville, Del., wrote: "About two years ago I was thin and sick, and coughed all the time and if I did not have consumption, it was near to it. I commenced using Foley's Honey and Tar, and it stopped my cough, and I am now entirely well, and have gained twenty-eight pounds, all due to the good results from taking Foley's Honey and Tar." Burnaugh & Mayfield.

**Camping at the State Fair.**

One of the pleasures for many persons attending the annual Oregon State Fair at Salem is the privilege of being numbered among the residents of the tented city just outside of the main entrance to the fair grounds. Each family is allowed on the camping ground a space of twenty feet from the street and thirty feet back for camping purposes. By this means the camping ground has the appearance of a white canvas city during the entire week of the fair, as thousands of people come from a distance to enjoy an outing and at the same time participate in the pleasures of the exposition week. All intending campers are requested to apply to the superintendent of the camping ground for campers' certificates, which will entitle them to the right to purchase 'campers' tickets.' The forty-eighth annual Oregon State Fair takes place on September 13-18.

**Why?**

From a small beginning the sale and use of Chamberlain's Cough Remedy has extended to all parts of the United States and to many foreign countries. Why? Because it has proved especially valuable for coughs and colds. For sale by Burnaugh & Mayfield.

**How is This for a Spelling Test?**

New York Press.  
The other night in an upper West Side home there was a spelling bee at which some forty-odd guests fell down. The hostess offered the following sentences as a test:  
"It is an agreeable sight to perceive the unparalleled embarrassment of an harassed peddler attempting to gauge the symmetry of a peeled onion which a sly had stabbed with a poignard, regardless of the innuendoes of the lilies of a carnation hue."  
The president of a college made five errors in writing it, a learned clergyman made seven, and an eminent teacher and lecturer made six.

**A DOLLAR AND A MORAL.**

The Clemens Oskamp, a Cincinnati jewelry concern, takes up most of a handsome advertisement in the Times-Star of July 2 with this story: **GONE FOREVER.**  
Six years ago in Weber county, Utah, a farmer put his initials on a dollar bill. Next day he came to

Ogden and spent it with a merchant. Before six months had passed he got the same dollar back. Four times in three years the bill came back to him for produce, and three times he heard of it in the pockets of his neighbors. The last time he saw the bill was three years ago. He sent it to a mail order house. He will never see that bill again. The dollar bill will never pay any more school or county taxes for him, will never build or brighten any more homes in the community. He sent it entirely out of the usefulness to himself and his neighbors when he sent it to the mail order house.

**Troy Man Hurt.**

Otto Wilson, from Troy, Oregon, is laid up at the Ayers hotel with a badly broken leg. While riding through the Peo'a country, his horse stumbled and in falling, fell upon the right leg of the rider, breaking it in two places—once a few inches above the knee and again a trifle below the thigh. ed about six o'clock in the afternoon, and it was fully three hours before anyone happened along to find Mr. Wilson in his critical condition. He was then brought to Asotin, reaching here about midnight, when he was turned over to Dr. Sawyer, who proceeded to make him as comfortable as possible. Mr. Wilson will be kept from labor of any kind for at least eight weeks, and possibly longer. The young man is getting along very well at this time and it is to be hoped he will get along without further difficulty.—Asotin Sentinel.

A remarkable shipment of big Oregon logs were loaded on board the steamship, Emma S. Dollar at Portland. The logs are very large, being 105 feet long and 40 feet in circumference. There are 24 of the big sticks and they are being consigned to China, where they will be used to rebuild the temple Ling Yen, the most famous house of worship in all China. The Chinese government purchased them here for the purpose. They will be rafted up the

This seems impossible but it is actually done in China in transporting big timbers over mountain trails, as will be done in this case.
